THEY'RE BACK! The original Big Foots, some of the most awesome creatures ever to walk the earth. Astounding biotech

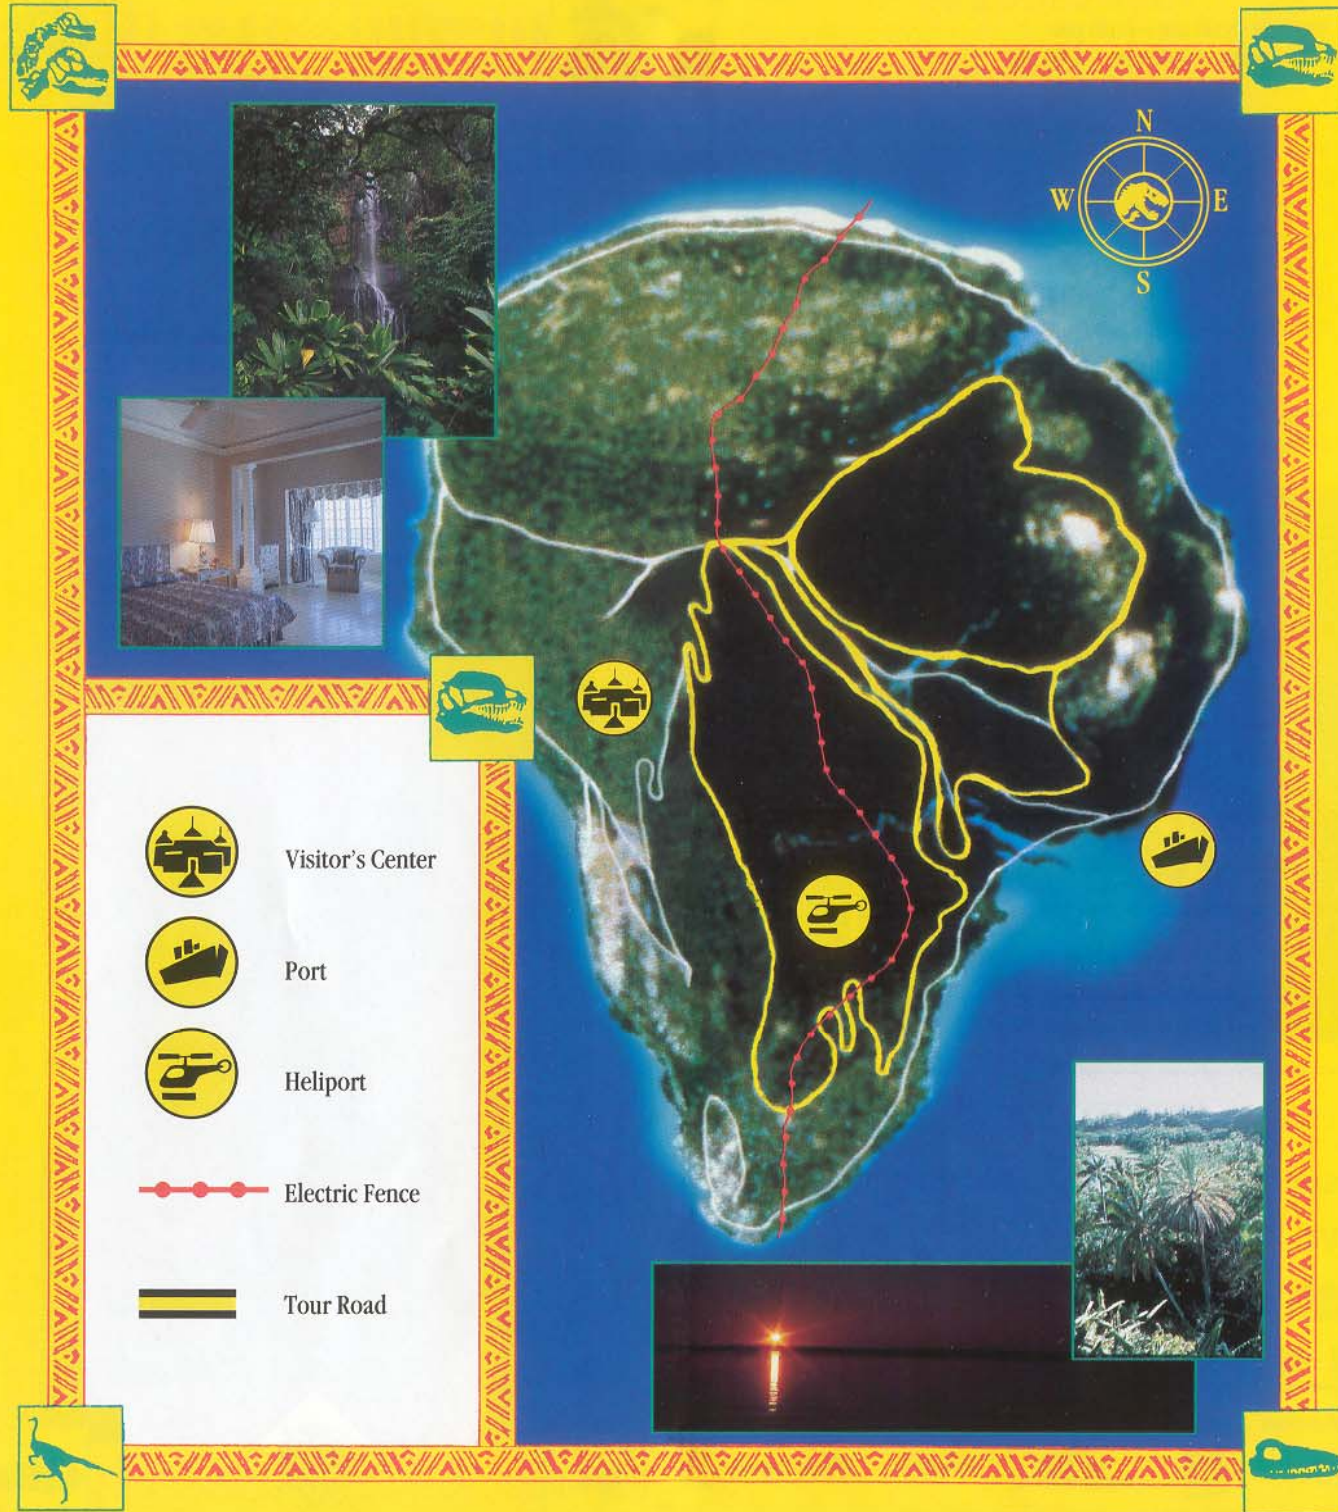

advances have brought these breathtaking behemoths back to life. Extinct for eons, hundreds of untamed titans have been unleashed to roam the world's most wondrous animal preserve...man and dinosaurs together.

JURASSIC PARK, the most incredible theme park of all time! See real dinosaurs at play. Watch them roam through acres of meticulously recreated jungle habitats.

JURASSIC PARK, a mysterious fog-shrouded island located off the coast of Costa Rica, this biological preserve holds attractions that will send kids out of their minds with excitement. **JURASSIC PARK** makes the Dark Continent look like a petting zoo!
